

JANUARY 2015

Dear Hillcrest Families,

Welcome back to a wonderful new year! It is such a pleasure being with our students once again, and listening to their adventures over the holidays! It is amazing that half the year is already behind us. I need to take a moment again to thank all of our families and staff that donated to the Giving Tree Project, and to our Coat Drive this past December. A number of individuals had brighter holidays thanks to all of the generous donations.

As we move into the second half of the school year please remember to continue to stay in contact with your child's teacher. A sustained relationship between home and school allows students to thrive in their educational environment. Staff can be reached by phone or through e-mail. Please keep in touch also via their class web pages for information about what's happening.

Please remember our students go outside for recess during the winter months. Please dress students accordingly (*don't forget scarves and gloves*). If a snow day occurs, the district will notify you in a "Connect Ed" phone message. Information about school closings can also be accessed on the district homepage.

We are looking forward to an exciting second half of the year!

Thank you Joey for reminding me that my January letter has not yet been posted to my Principal's Corner ☺

Educationally

Jacqueline Liburd
