

Career Day

Peekskill Middle School
Friday, May 29, 2015

Peekskill Middle School will be hosting their annual Career Day 2015 on Friday, May 29, 2015. This event was developed to demonstrate the connection between what we learn in school and how we apply it to our careers and daily lives.

We plan to host experts in the fields of graphic arts, medicine, law enforcement, computer technology, contracting, just to name a few. We often ask our children, "What would you like to be when you grow up?" If your child is like most, they have no answer. Maybe after this unique opportunity they will.

The Peekskill Middle School and PTO is happy to sponsor this event. We hope you will join us in making Career Day an informative and successful event. Any contribution you can make would be appreciated. Please contact us as soon as possible if you would like to participate in this important community event. If you know someone who would like to participate but does not have a child attending Peekskill Middle School, please pass this information along to them.

Our students will be meeting in groups of 15 to 25 for 42 minute periods. We will accommodate, to the best of our ability, your scheduling and material needs. We invite you to share your time, experiences, knowledge and skills with our students. Whether you can share one period or the entire school day, any time will be meaningful to them.

Our school day runs in eight periods. The schedule is as follows:

Period 1 – 8:25 a.m.-9:15 a.m.	Period 5 – 11:31 a.m.-12:16 p.m.
Period 2 – 9:16 a.m.-10:01 a.m.	Period 6– 12:20 p.m.-1:05 p.m.
