200 BOCES Drive | Yorktown Heights | NY 10598

Science Fair: Grades 5 – 8 All other Festival Activities: 1 – 100 years old

Putnam/Northern Westchester BOCES will host a Science, Technology, Engineering and Mathematics Festival. One of the primary purposes of the festival is to provide middle school students with an opportunity to participate in a regional science fair in the following four STEM divisions:

- Science Research
- Engineering Design
- Robotics
- Inventors/Maker Fair

There will also be fun activities for the whole family!

- The Green Machine
- Monster Storms Exhibit Room (fee)
- Presentations by Meteorologist Jim Witt and by the New NY Bridge Project
- STEM demonstrations
- Program on Animals as Meteorologists
