June, 2015

Dear Parent(s)/Guardian(s):

June is here and the beautiful bright and warm spring days are beckoning the summer months. This month is a busy time for end-of-the year events and celebrations.

Academically, there is still much schoolwork to complete in the ten remaining full days of instruction. Teachers are busy preparing students and reviewing lessons for final exams. Many of the final exams will take place the week of June 8th during regular class times. Two special Finals Days are scheduled for Friday, June 12th (ELA) and Monday, June 15th, 2015 (Algebra, Pre-calculus). Fourth Quarter progress reports will be mailed home on June 5, 2015. Students are also urged to attend the final two ***Saturday Regents Prep Success Academy*** sessions on June 6 and 13, 2015.

To celebrate this year's wonderful accomplishments the following end-of-year events will occur:

- ❖ June 3, 2015 Spring Sports Awards Night, 7 PM, in the PHS Cafeteria
- ❖ June 4, 2015 Undergraduate Scholastic Awards, 8 AM, in the PHS Auditorium
- ❖ June 11, 2015 Authentic Science Research Symposium, 5 PM, in the PHS
- ❖ June 12, 2015 PHS Prom Night at Thayer Hotel, West Point Military Academy
- ❖ June 28, 2015 PHS Graduation Ceremony, 2 PM, Paramount Theater

On behalf of PHS staff and students, I invite you to join us in extending our appreciation and wishing a happy retirement to Mr. Thomas Carroll, PHS mathematics teacher, and Mrs. Sarah Soyka, art teacher. These two teachers have taught at the high school and served the Peekskill City School District for over thirty years. Thank you for a job well done!

As the school year comes to a close, I would like to thank all of YOU who have contributed to the excitement and success of my first year at Peekskill High School. I look forward to your continued support and involvement over the next several years as we strive *forward and upward in the pursuit of excellence*.

Take care and enjoy the summer vacation.

Dr. Cassandra Hyacinthe, Principal
Peekskill High School
