

ABOUT ME

Hello! My name is Jennifer Badurski. I grew up on a dairy farm in upstate New York. I received my BA degree from LeMoyne College in Elementary and Special Education. I also attended the College of New Rochelle and received my Master's in Literacy. I obtained my TESOL certification from Manhattanville College. I have taught second and fifth grade in the Bronx. This will be my fourth year teaching at Hillcrest Elementary School. I teach the English component and my amazing partner Ms. Fernandez teaches the Spanish component of our Dual Language Program.

I live in Yorktown Heights, and when I am not teaching I enjoy spending time with my three boys at home. I also love gardening, cooking, and shopping at Target!
