Dear PKMS Families.

We appreciate your children working very diligently to attend class on time, participate, remain engaged, ask questions, review their work, study for upcoming exams, and apply what was learned to new situations under these current circumstances.

We want all of our students to do their very best and display their talent, personality, kindness, and intellect.

Over the next couple of weeks, we will design a virtual celebration for our students who have demonstrated academic success in their content areas and have maintained certain performance levels.

In the middle school, we have three levels of academic acknowledgment:

- **Credit Roll: 80-84**
 - A minimum of an 80 average including all subject areas is required with no less than a 70 in any subject.
- **Honor Roll: 85-89**
 - A minimum of an 85 average including all subject areas is required with no less than a 70 in any subject.
- **High Honor Roll: 90-100**
 - A minimum of a 90 average including all subject areas is required with no less than a 70 in any subject.

We will communicate dates and times of the upcoming celebration very shortly.

Quarter Two will undoubtedly be the quarter in which we will be able to celebrate all of our students' academic success.

Sincerely,

Mr. Jamal Lewis
Principal
