

HOMECOMING 2019

Homecoming 2019: October 11-12, 2019!

From our schools' gyms and our athletic fields, to our classrooms and our homes, we work together so our students can consistently perform their absolute best. The encouragement and guidance of our teachers, coaches, counselors, faculty and administrators are why Peekskill High School students are college and career ready.

Throughout its history, Peekskill High School has maintained a rich tradition of excellence in education and athletics. Homecoming is time to celebrate with Peekskill Pride and support our student athletes!

Please see the schedule of events on the back of this flyer.
