**As a reminder, students are not permitted to bring any electronic devices into their testing location. This includes cell phones, tables, smart watches and any other electronic devices.** On Regents testing days, students who wish to eat breakfast should arrive at school by 7:40 AM. Students with afternoon exams, who would like to eat lunch, should

arrive by 11:30 AM. *Students who arrive late to their scheduled Regents Examination **may not be permitted to enter the exam** as per New York State Regents guidelines.* The Regents Examination schedule can be found on the Peekskill High School website and below. If you have questions about Regents Examinations, please contact your child's school counselor. Students scheduled to take Regents Examinations, should attend Regents preparation classes. The Regents preparation schedule is posted on the PHS Website. ***As a reminder, all students MUST sit for their scheduled Regents Examinations this year.***

It is imperative that students attend their entire regular class schedule through the last day of instruction. We want to ensure an environment exists at Peekskill High School that is most conducive to learning and free from unnecessary distractions. It is also important for students to remember all school rules remain in effect until the end of the school year. Behavior that disrupts the educational process at school may lead to suspension and/or denial of a student's privilege to attend any school activities including senior events. We have taken and will continue to take a firm stand in these matters and have always appreciated your support and cooperation.

Best regards,
