Safety around School Buses and School Zones

This sign means you are near a crosswalk in a school zone.

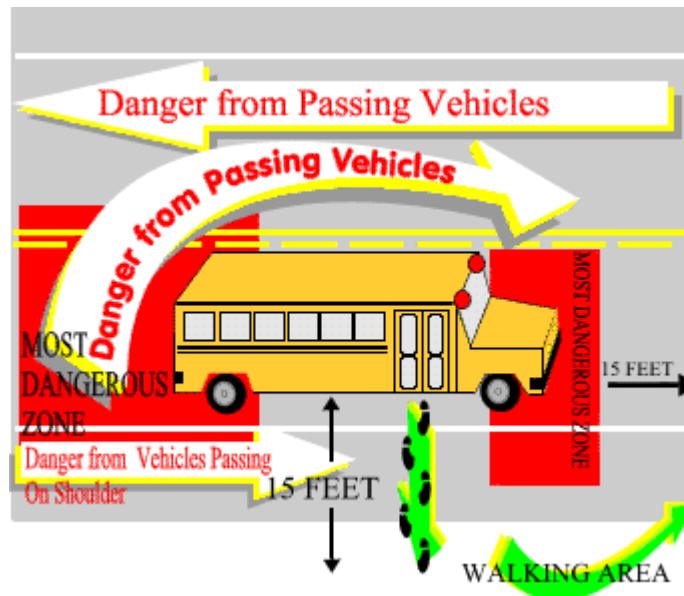

When school is opening in the morning and closing in the afternoon, the area around the school is a very busy and crowded. There will be many children using the crosswalk.

Car drivers, bikers and in-line skaters **must stop** to allow people in the crosswalk to cross the street.

It is important to look carefully to the **left, right and left again** if you have to cross the street.

DANGER ZONES AROUND A STOPPED SCHOOL BUS

When you get off the bus:

Look to the rear of the bus before you step off the bottom step. Our friends at the Pupil Transportation Safety Institute tell us that more and more motorists are passing stopped school buses on the right shoulder - where the door is.
