Dear Peekskill Parents

This letter is to inform you that today, the Peekskill Police Department in collaboration with district leadership, conducted locker searches at the middle and high school using a specially trained K9 unit (police officer and dog). These searches were held as a follow-up to the searches conducted on December 4. Once again, the searches focused on the presence of ballistics and concluded with NO evidence of ballistics detected in either building. Students remained in class during the search and instruction continued as normal.

We thank you for your continued support as we make every effort to keep our building safe for students, staff and our school community.

Sincerely,

Dr. David Mauricio  
Superintendent of Schools

Estimados padres de Peekskill:

Esta carta es para informarle que hoy, el Departamento de Policía de Peekskill, en colaboración con los líderes del distrito, realizó una búsqueda en Peekskill Middle School y Peekskill High School utilizando una unidad de K9 (policía y perro) especialmente entrenada. Esta búsqueda se realizó como un seguimiento de las búsquedas realizadas el 4 de diciembre. Una vez más, las búsquedas se concentraron en la presencia de balística y concluyeron sin evidencia de balística detectada en ninguno de los edificios. Los estudiantes permanecieron en clase durante la búsqueda y la instrucción continuó de manera normal.

Le agradecemos su continuo apoyo mientras hacemos todo lo posible para mantener nuestros edificios seguros para los estudiantes, el personal y nuestra comunidad escolar.

Sinceramente,

Dr. David Mauricio  
Superintendent of Schools
