

The Peekskill City School District is excited to announce that we have broken ground and have officially begun construction on Torpy Field! We look forward to our student athletes playing on our new grounds in the fall!

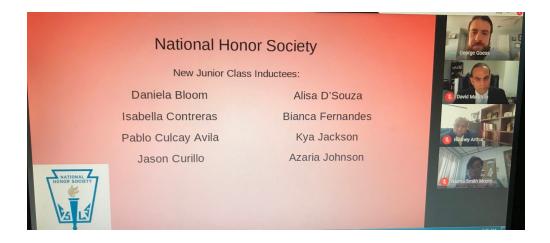

Our Peekskill Athletic Department refused to let a global pandemic stand in the way of our Annual Sports Awards Ceremony. Taking measures to be safe and socially distance, Athletic Director Mr. "Awesome-Austin" Goldberg, PCSD coaches, board members Mrs. Maria Pereira and Mr. Allen Jenkins, Dr. Mauricio, Mr. Dan Callahan and staff took their ceremony on the road, personally delivering awards to each athlete at their home. If that was not enough to show the dedication of our staff and their respect for our athlete's hard work, the PCSD team also brought around their athletic department backdrop to set the scene for families to take pictures of the celebratory moment.
