New York Philharmonic

Seventy-Two 5th graders and 32 7th and 8th graders went to Lincoln Center to see the NY Philharmonic play live. Each year the NY Philharmonic puts on Young People's Concerts for Schools. This year's concert theme was "Jean Sibelius: Music of a Hero, Music of a Nation". All of the music teachers were given the opportunity to submit a video demonstrating how our students are heroes. We sent in a video of the song the students and Mrs. Hernandez wrote a few years back for Sandy Hook, entitled "26 Stars". The entire video was featured at the concert,. The students could not believe that we had secretly submitted this video, and that the were recognized so publicly for their song.
