PKMS Dance donations: Last month the PKMS Student Government sponsored a dance for the 6th, 7th and 8th grade classes. They donated the funds raised from the event to PCSD children in need to help bring them some holiday cheer. To help with the cost of the event, the PKMS PTO donated snacks while local DJ James McLeod graciously donated his time. On December 22, Student Government Presidents Afua Yaboah and Mya Guardino presented PKMS Social Worker Nancy Ehrlich with \$1,000 for our families. Thanks to everyone involved who helped make this event a success!
