

## Welcome to the 7th Grade at PKMS

Here at Peekskill Middle School we follow a collaborative team approach in educating and caring for your child. During the day, your student will interact with all of us in varying capacities. To contact a team teacher, use the first letter of their first name followed by their last name @peekskillcsd.org. The grade is divided into two teams, North and South respectively. Also, please find attached your child's supply list for the 2018 - 2019 school year. We look forward to being a part of your child's daily experience, here at Peekskill Middle School.
