

# Ceramics & Sculpture

**Mrs. Von Bergen**

## WHAT IS SCULPTURE?

*Sculpture is a three-dimensional visual art form.*

### To Note:

It's going to be a great year! Come to class prepared to learn and create every day.

I don't expect you to be the best, I just ask that you **TRY your best!**

Remember, I'm always here to help.

## Projects (55%)

During this course, most of the class time will be dedicated to work time. Since projects take up most of the class time, the majority of your grade will be determined by the projects you complete. Our class only meets every other day for half of the school year, therefore it is your responsibility to stay on task and working the entire class period.

*You will lose points for projects that are not completed by the due date.*

## Classwork (35%)

Class Participation: (CWP)

Attendance / Punctuality

Following the rules

Use of class time

## Citizenship (10%)

Citizenship is about how you act as an individual in society (or at PKMS).

Some examples of citizenship:

- Helping your classmate
- Taking yourself seriously
- Listening to your teachers
- Acting responsibly
- Being respectful
