Dear PHS Families,

Peekskill High School is committed to providing our students with a safe and secure learning environment. We are excited to announce that we will launch the Securly Digital Hall Pass System on **May 16, 2025**. Securly is an online platform that will allow Peekskill High School staff to issue hallway passes to students while also monitoring activity in the school's hallways.

Here's a brief overview of how Securly Digital Hall Pass works:

- Instead of using paper passes, students will request a pass using their school-issued laptop.
- Teachers will review and approve the pass to the requested location, such as their locker, main office, restroom, etc.
- Administrators, teachers, and security can view all active passes in real-time, improving both student accountability and overall school safety.
- The system has the potential to allow counselors, the nurse, and other staff to create "appointment passes" when they need to see students.

This system will significantly reduce disruptions and missed instructional time by streamlining the pass process. By using Securly, we ensure that students are accounted for at all times when they leave the classroom, enhancing their safety and minimizing distractions during valuable learning periods.

To ensure a smooth implementation process, your child will need to be prepared each day with their school-issued Chromebook. If your child's Chromebook needs to be replaced or repaired, please [complete this form](#). If you are interested in protecting your device, you can purchase Chromebook insurance by [clicking here](#).

We are committed to continually improving the learning experience for all students at Peekskill High School, and we are confident that the Securly Hall Pass System will contribute positively to our efforts. If you have any questions or concerns, please feel free to contact the school administration for further information.

Thank you for your continued support.

Estimadas familias de PHS:

La Escuela Secundaria de Peekskill está comprometida a proporcionar a nuestros estudiantes un entorno de aprendizaje seguro y protegido. Nos complace anunciar que lanzaremos el **Sistema de Pase Digital Securly** a partir del **16 de mayo de 2025**. Securly es una plataforma en línea que permitirá al personal de Peekskill High School emitir pases de pasillo a los estudiantes y monitorear la actividad en los pasillos de la escuela.

A continuación, un breve resumen de cómo funciona el Sistema de Pase Digital Securly:

- En lugar de utilizar pases en papel, los estudiantes solicitarán un pase a través de su computadora portátil proporcionada por la escuela.
- Los maestros revisarán y aprobarán la solicitud del pase al destino solicitado, como ir su casillero, a la oficina principal, al baño, etc.
- Los administradores, maestros y personal de seguridad podrán ver en tiempo real todos los pases activos, mejorando la responsabilidad estudiantil y la seguridad general de la escuela.
- El sistema también permitirá que los consejeros, la enfermera y otros miembros del personal creen "pases de cita" cuando necesiten ver a los estudiantes.

Este sistema reducirá significativamente las interrupciones y el tiempo de instrucción perdido al agilizar el proceso de emisión de pases. Al usar Securly, nos aseguramos de que los estudiantes estén localizados en todo momento cuando salgan del aula, mejorando su seguridad y minimizando las distracciones durante los períodos de aprendizaje.

Para garantizar una implementación fluida, su hijo(a) deberá traer su Chromebook escolar **todos los días**. Si el Chromebook de su hijo(a) necesita ser reemplazado o reparado, por favor complete [este formulario](#). Si está interesado(a) en proteger el dispositivo de su hijo(a), puede adquirir un seguro para su Chromebook haciendo [clic aquí](#).

Estamos comprometidos en mejorar continuamente la experiencia de aprendizaje para todos los estudiantes de Peekskill High School y estamos seguros de que el Sistema de Pase Digital Securly contribuirá positivamente a nuestros esfuerzos. Si tiene alguna pregunta o inquietud, no dude en comunicarse con la administración escolar para obtener más información.

Gracias por su continuo apoyo.

Atentamente,

El Equipo Administrativo de PHS
