

New York-Presbyterian Hudson Valley Hospital

Join us for this virtual program to better understand the impact of the pandemic on the well-being of our children. Learn how to identify issues and support your children throughout these challenging times.

This program will be presented in both English and Spanish.

Welcome:

Stacey Petrower, MPA, President, New York-Presbyterian Hudson Valley Hospital

Presenters:

Sarah Coren, Ph.D., and Kristin Toffey, Ph.D.
New York-Presbyterian Westchester Behavioral Health Center

Thursday, April 22, 2021
7:30-8:30 pm

New York-Presbyterian Hudson Valley Hospital is hosting this presentation in collaboration with the Ossining Union Free School District and the City of Peekskill Central School District.

To register and receive your Zoom invitation, click here, or call 914-739-0682 x7102.
