Celebrating our Diversity and Inclusivity

*Lesbian, Gay, Bisexual, Transgender, Queer, and Intersex (LGBTQI+)

Dr. Mauricio

As part of our growing efforts to honor our diversity and inclusivity, we are recognizing various cultures and groups throughout the year. This month, we recognize Pride Month. This national recognition is an important time to learn about the accomplishments and achievements of the *LGBTQI+ and stories of those who are important to our national history. Please enjoy these resources curated by Dr. Daniels and others to assist you in your growing and learning.

Dr. David Mauricio, Superintendent
