- We gladly accept DSS and ACS. Our Westchester DSS vendor # id is 147960. Our Dutchess DSS vendor # id is SAC66763. Contact us for the ACS number.

PARENT HANDBOOK

You’ll find lots more information in the parent handbook. You can find a printable version of the Parent Handbook on our website, www.healthykidsprogram.org and you will receive a copy via e-mail as part of your registration confirmation correspondence.
We ask all parents to go over this code of conduct with enrolled children. We place a high importance on all students treating others in a positive, respectful way. We follow a progressive discipline philosophy and will bring the parent in early in the process.

Healthy Kids Extended Day Program Code of Conduct

• We will always place safety first; which will mean regular buddy checks, safety drills and procedures to ensure child safety. Safety procedures are to be treated with utmost importance.

• Children are expected to be respectful, honest and kind. Use positive language, be gracious competitors, show good sports etiquette and share

• Be considerate to others and to the environment by cleaning up after yourselves.

• In a group situation, please no talking while someone else is speaking, always raise your hand if you have something to contribute and use inside voices indoors.

• Follow your program staff’s directions, if you do not understand, ask questions!!!

• No violence, throwing things, rough housing, profanity or demeaning language.

• Always engage a program staff person to settle an issue between students. Don’t take matters into your own hands.

Consequences of not following code of conduct

• The Director will determine disciplinary action after staff reports incidents. Consequences may include (1) a gentle reminder (2) a few minutes aside from group activity (3) call guardian and leave for the day (4) child will be removed from the program with no refund.

• Healthy Kids Extended Day Program reserves the right to immediately dismiss any child from the program for extremely disruptive behavior, for behavior placing a student/staff safety in jeopardy or any violence. Examples include but are not limited to: (1) intentionally hurting another child (2) stealing (3) refusing to comply with a safety directive (4) violence, etc.

• We have zero tolerance for violence and believe that there are no reasons or circumstances that call for violence. We require children to bring issues to staff person’s attention for help in solving them before it escalates to violence. Any child who harms another will be expelled, WITH NO REFUND of tuition. This includes pushing, biting, and kicking, etc.
