Educational Planning and Budget: Strategic Questions

A fiscally sound and responsible budget will be prepared, using a systemic approach, prek-12 while controlling expenditure growth.

****Theme: Providing Equitable Opportunities and Experiences for all Students***

1. How do we handle increasing enrollment without diminishing programs for both students and staff?
2. What types of data do we utilize data to inform and drive our decisions? *(CIA & Programmatic)*
3. How do we continue to create equity for all students in and out of the classroom?
4. What are we doing to meet the academic, social, and emotional needs of all students?
5. How do we provide equitable high-quality educational programs and continue to remain fiscally responsible?
