## Assessment Data

## What we believe

- All people can learn, contribute and have value
- Embracing and understanding cultural diversity is imperative to strengthening and enriching a school community
- When a school community provides a respectful, safe, supportive, resource-rich environment, people thrive and meet their goals
- A school district excels when strong partnerships exist among families, schools and community
- Educating the whole child will develop life-long learners who are compassionate, confident, critical thinkers
- A school district is responsible for aligning and carrying out the conditions for learning, leadership and commitment
