

As a means of communicating with our stakeholders, we hope that you enjoy reading about some of the wonderful accomplishments of our students, teachers, administrators and staff.

Taking full advantage of the new STEAM Lab at Hillcrest Elementary, Grade 4 students recently used the engineering design process to create carnival games. Their goal was to use simple machines or magnets to design a carnival game that operates consistently and fairly and is fun for all ages to play. In their designs, students highlighted at least one of the United Nations' sustainable goals to guide their projects. The students will showcase their work at a Hillcrest Carnival event that is planned for later this year. Thank you to Hillcrest STEAM teacher Jamie Rossi for leading this work.

PHS' Erum Hadi was recently interviewed by Westchester Magazine for their annual March education issue. The feature is focused on "amazing teachers," and is available on newsstands now! (We got our copy at Barnes & Noble or visit <https://westchestermagazine.com>). Congratulations to Mrs. Hadi on the feature, she represents Peekskill well! You will also note

that our school district continues to improve its ranking as compared to other districts in Westchester. Way to go PHS team!

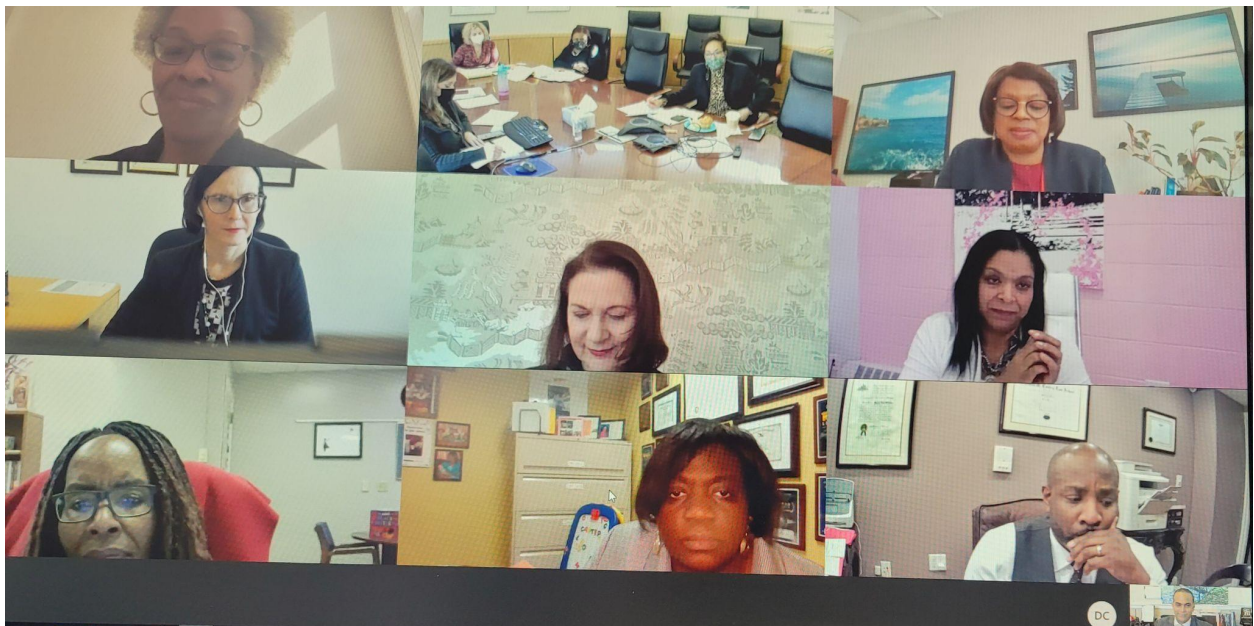

Board President Mrs. Jillian Villon, SRO Mr. Matt Lalindez, Peekskill Rotary President Mr. Luis Segara and Dr. Mauricio's administrative team held numerous events to distribute COVID-19 tests at our schools and throughout the community. Test kits will once again be sent home with students next week. If a student is in need of a COVID-19 test, please stop by our Family Resource Center or call 914-739-0682 ext. 7102. Staff are eligible to pick up test kits at the school.

Peekskill hosted the 1st Annual "Battle of the Squads" on Sunday, January 30 and welcomed 8 cheerleading teams from the Hudson Valley Region! Participants were excited to attend this event, which is one-of-a-kind for our area. Thank you to Austin Goldberg for facilitating this event, and to our custodial team for opening our schools on a Sunday!

Dr. Mauricio and PCSD Administrator of Diversity, Equity and Inclusion Dr. Margie Daniels met with the Judicial Institute Education Committee. This Statewide initiative to improve the connection between the courts, legal representatives and school districts is led by the honorable Judge Davidson. The committee will present to judges across the State of New York to improve our supports for students who make mistakes in their lives.

We are excited to announce that a Culinary Program is coming to Peekskill High School! District and high school administrators, as well as representatives from Westchester Community College and the Lanza Family Foundation, recently met with students to promote the program. Special guest Chef Jeffery Vadden of Soule De Luxe also spoke to the students about the opportunity to participate in the program. Chef Vadden will serve as the chef and instructor of the program.

Lunchroom makeovers, made possible by our cafeteria funds, have taken place at Peekskill middle and high school! The spaces look just as amazing as the menus we offer! Inspirational words line the windows of the PHS Red Devil Cafe such as “Dream,” “Believe,” “Succeed,” etc. A recent daily menu example includes choice of chicken parmigiana or chicken cordon bleu over spaghetti with steamed veggies; chicken bacon ranch wraps or an all beef smash burger, salads, parfaits, fresh fruit and more! There was even pineapple infused water! For more photos, please check out this album from our grand re-opening celebrations, which featured guest servers including administrators, and Board of Education trustee Mr. Simpkins.

“As I reflect on the meals I enjoyed as a student, I would share that our cafeteria experience is one of the very best in the nation,” said Dr. Mauricio!

Dr. Mauricio, Assistant Superintendent Mr. Dan Callahan, PCSD Administrator of Diversity, Equity and Inclusion Dr. Margie Daniels and Peekskill Board Vice President Ms. Branwen MacDonald recently participated in the Peekskill Chapter of the NAACP Education Committee's Town Hall. The virtual event also included parents, Peekskill High School students Ariana Okoth and Hunter Evans. Thank you to our community members that submitted questions/comments for the online event, and thank you to the NAACP for hosting these important conversations.

Oakside Principal Mrs. Crystal Hernandez and former PCSD Assistant Superintendent Dr. Mary Keenan-Foster recently presented at an Education Technology Conference. Their presentation was chosen as it highlights Oakside's exemplary work on enhancing vocabulary using the program InterCabulary. Thank you to Dr. Foster and Mrs. Hernandez for representing the wonderful accomplishments we are doing here at Peekskill Schools.

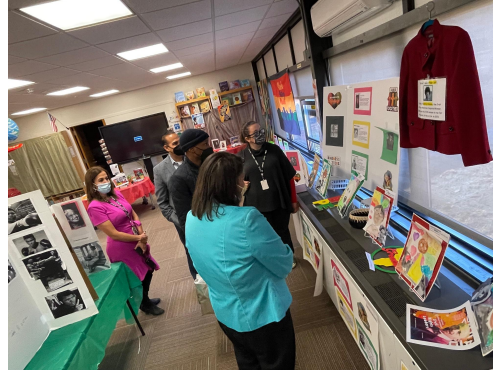

The PKMS Drama Club performed "Schoolhouse Rock LIVE!" Dr. Mauricio and family, as well as PCSD students and adults alike, enjoyed the musical experience. [Click here for an album with photos](#) from the show. Bravo to our student actors, crew and to our PKMS Drama Club advisors!

Thank you to all of our Peekskill CSD staff and to our Peekskill community members who agreed to be interviewed by our Woodside student reporters in honor of Black History Month. Woodside scholars interviewed African American leaders from Peekskill. Our news show made it to [News 12 Westchester](#) and the NBC New York morning show! Way to go, Wildcats! A video of our student interviews will be out shortly!

Additionally, our Woodside Elementary School's teacher Mrs. Theresa Wood-Chang led a team to create a Peekskill Black History Month Museum in her school library, which created the opportunity to learn about the rich history and contributions of African American leaders, scientists, business owners, trailblazers, musicians, artists, astronauts, and more. Many have enjoyed visiting the museum, PCSD administrators, Peekskill Board members and BOCES administrators. It is a joy to be able to [share this inspirational, interactive museum](#) with others!

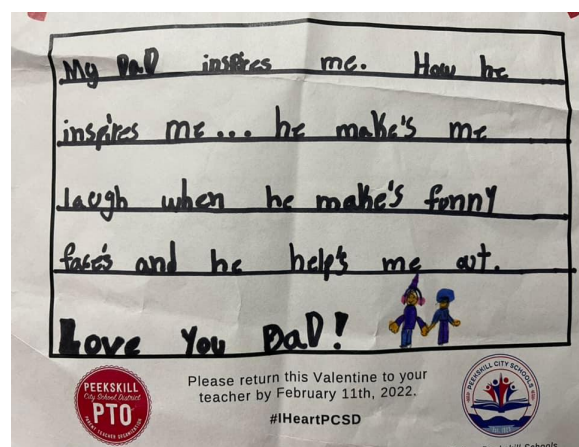

Our Peekskill High School Robotics team is on a roll! Not only are our students headed to the State Championships this weekend, the team was also gifted a generous \$1,000 donation from the Hudson Valley Gateway Chamber of Commerce's AIM Committee to help with expenses related to the upcoming competition. Board Vice President MacDonald, Councilmember Talbot, Peekskill Education Fund's President Sheldon-Brungard were present to accept this gift. [Click on this article to read more!](#) Our students showcased their robot at this week's Board of Education meeting and thanked the Board and the community for providing them with an awesome new STEAM Innovation Center at the high school (pictured below).

In honor of Black History Month, Uriah Hill Elementary welcomed PCSD Videographer Mr. Doug Brown as a guest reader as part of their Black History Month celebrations. Mr. Brown read excerpts of his self-published children's book, *The Polar Bear, Chicken Soup and Friends*, to students. Mr. Joshua McClellan's class even created a drawing of Mr. Brown to include in the schools' Black History Month walk-through museum.

Once again, Peekskill Schools and the Peekskill PTO partnered for our 6th Annual Valentine's Day campaign. This year we asked our community for words of inspiration. Drop boxes for valentines were brought to all schools and were also submitted electronically by posting online. Thank you to everyone who helped spread love throughout our school community!

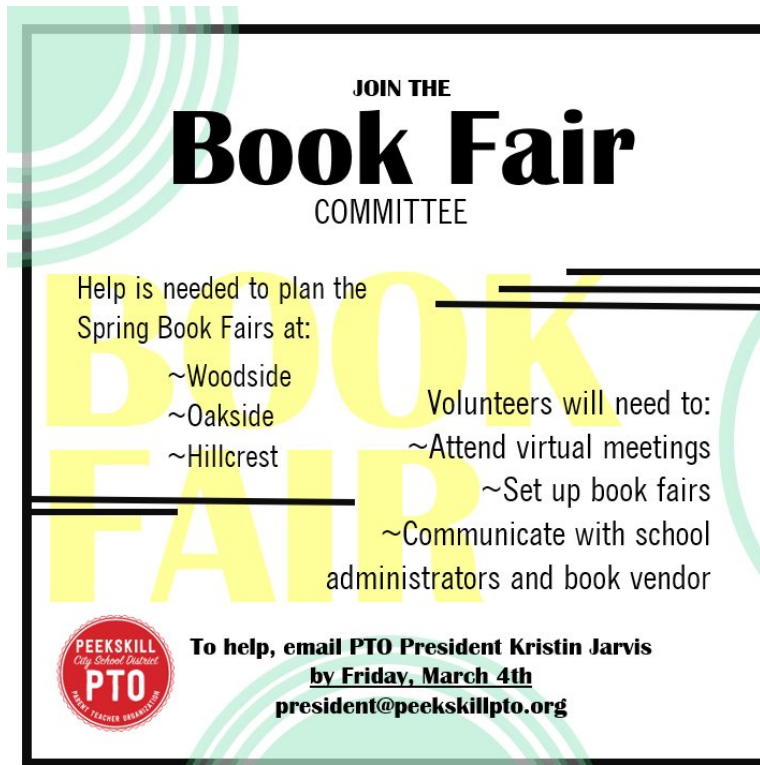

PCSD recently hosted our annual District-wide Art show at the Peekskill Coffee House. The show featured work from students Grades K-12. Thank you to our amazing art teachers for their work putting up the show, and to our student artists for sharing their talents with the community.

Our Music in Our Schools month concerts kicked off with a performance from our Hillcrest students who performed beautifully on the PKMS stage. Bravo to our talented musicians as well as to their dedicated teachers. We look forward to more in-person concerts all month long!

The Peekskill PTO is seeking volunteers to help with their upcoming book fairs this spring. Please reach out to PTO president at president@peekskillpto.org if you can help.

The poster is titled "JOIN THE Book Fair COMMITTEE". It lists locations where help is needed: Woodside, Oakside, and Hillcrest. It also lists tasks for volunteers: attending virtual meetings, setting up book fairs, and communicating with school administrators and book vendors. A red circular logo for Peekskill City School District PTO is in the bottom left. The background features a large, faint "BOOK FAIR" watermark and green circular patterns on the left and right sides.

JOIN THE

Have a great weekend!

Dr. David Mauricio, Superintendent of Schools

Como medio de comunicación con nuestras partes interesadas, esperamos que disfrute leyendo sobre algunos de los maravillosos logros de nuestros estudiantes, maestros, administradores y personal.

Aprovechando al máximo el nuevo laboratorio STEAM en Hillcrest Elementary, los estudiantes de 4.º grado utilizaron recientemente el proceso de diseño de ingeniería para crear juegos de carnaval. Su objetivo era usar máquinas simples o imanes para diseñar un juego de carnaval que funcione de manera constante y justa y que sea divertido para todas las edades. En sus diseños, los estudiantes destacaron al menos uno de los objetivos sostenibles de las Naciones Unidas para guiar sus proyectos. Los estudiantes exhibirán su trabajo en un evento de Carnaval de Hillcrest que está planeado para finales de este año. Gracias al maestro de STEAM de Hillcrest, Jamie Rossi, por dirigir este trabajo.

Erum Hadi de PHS fue entrevistado recientemente por Westchester Magazine para su edición anual de educación de marzo. La función se centra en "maestros increíbles" y ya está disponible en los quioscos. (Obtuvimos nuestra copia en Barnes & Noble o visite <https://westchestermagazine.com>). ¡Felicitaciones a la Sra. Hadi por la función, ella representa bien a Peekskill! También notará que nuestro distrito escolar continúa mejorando su clasificación en comparación con otros distritos en Westchester. ¡Así se hace el equipo de PHS!

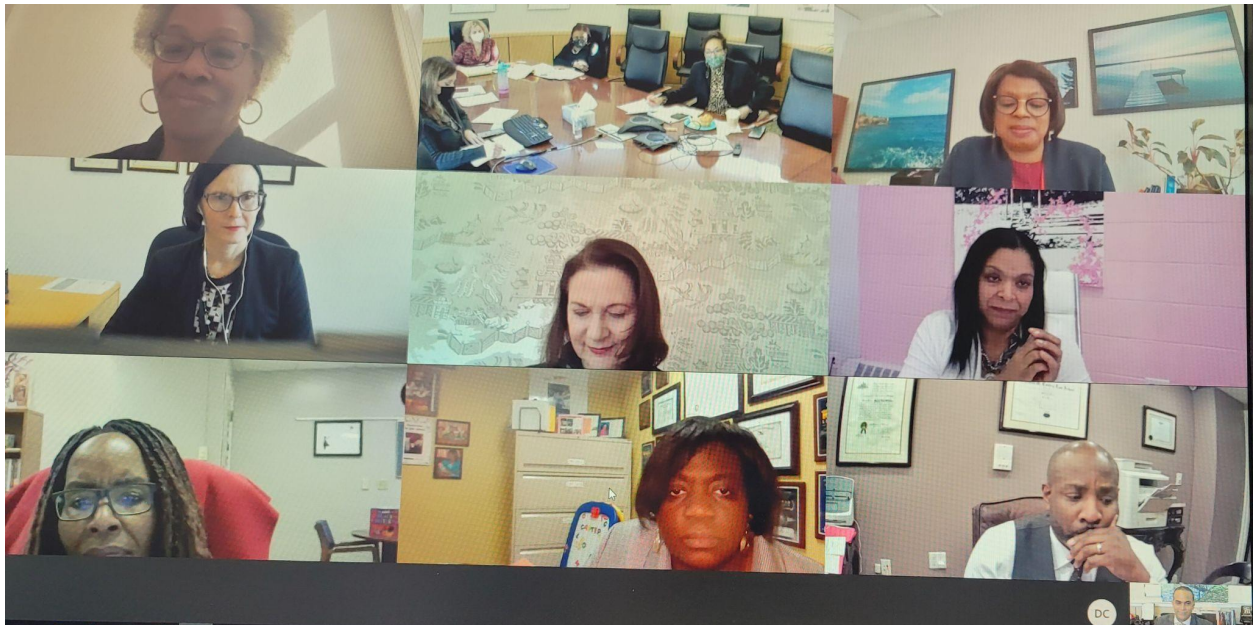

La presidenta de la junta, la Sra. Jillian Villon, el SRO, el Sr. Matt Lalindez, el presidente de Peekskill Rotary, el Sr. Luis Segara y el equipo administrativo del Dr. Mauricio realizaron numerosos eventos para distribuir las pruebas de COVID-19 en nuestras escuelas y en toda la comunidad. Los kits de prueba se enviarán nuevamente a casa con los estudiantes la próxima semana. Si un estudiante necesita una prueba de COVID-19, pase por nuestro Centro de recursos familiares o llame al 914-739-0682 ext. 7102. El personal es elegible para recoger kits de prueba en la escuela.

¡Peekskill organizó la 1.^a "Batalla de Escuadrones" anual el domingo, 30 de enero y dio la bienvenida a 8 equipos de porristas de la región de Hudson Valley! Los participantes estaban emocionados de asistir a este evento, que es único en nuestra área. ¡Gracias a Austin Goldberg por facilitar este evento y a nuestro equipo de conserjes por abrir nuestras escuelas un domingo!

El Dr. Mauricio y la Administradora de Diversidad, Equidad e Inclusión del PCSD, la Dra. Margie Daniels, se reunieron con el Comité de Educación del Instituto Judicial. Esta iniciativa estatal para mejorar la conexión entre los tribunales, los representantes legales y los distritos escolares está dirigida por el honorable juez Davidson. El comité hará una presentación a los jueces de todo el estado de Nueva York para mejorar nuestro apoyo a los estudiantes que cometen errores en sus vidas.

¡Nos complace anunciar que un programa culinario llegará a la escuela secundaria Peekskill! Los administradores del distrito y de la escuela secundaria, así como los representantes de Westchester Community College y Lanza Family Foundation, se reunieron recientemente con los estudiantes para promover el programa. El chef invitado especial Jeffery Vadden de Soule De Luxe también habló con los estudiantes sobre la oportunidad de participar en el programa. Chef Vadden servirá como chef e instructor del programa.

¡Se han llevado a cabo cambios de imagen en el comedor, que fueron posibles gracias a los fondos de nuestra cafetería, en la escuela secundaria y preparatoria Peekskill! ¡Los espacios se ven tan increíbles como los menús que ofrecemos! Palabras inspiradoras se alinean en las ventanas del PHS Red Devil Cafe, como "Dream", "Believe", "Succeed", etc. Un ejemplo de menú diario reciente incluye la opción de pollo a la parrilla o pollo cordon bleu sobre espagueti con verduras al vapor; wraps ranch de pollo con tocino o una hamburguesa de res, ensaladas, postres helados, fruta fresca y más. ¡Incluso había agua con infusión de piña! Para obtener más fotos, consulte este álbum de nuestras grandes celebraciones de reapertura, que contó con servidores invitados, incluidos administradores y el síndico de la Junta de Educación, el Sr. Simpkins.

“Mientras reflexiono sobre las comidas que disfruté cuando era estudiante, quisiera compartir que nuestra experiencia en la cafetería es una de las mejores de la nación”, dijo el Dr. Mauricio.

El Dr. Mauricio, el Superintendente Asistente, el Sr. Dan Callahan, el Administrador de Diversidad, Equidad e Inclusión del PCSD, la Dra. Margie Daniels, y la Vicepresidenta de la Junta de Peekskill, la Sra. Branwen MacDonald, participaron recientemente en el Capítulo Peekskill del Ayuntamiento del Comité de Educación de la NAACP. El evento virtual también incluyó a padres, estudiantes de Peekskill High School, Ariana Okoth y Hunter Evans. Gracias a los miembros de nuestra comunidad que enviaron preguntas/comentarios para el evento en línea y gracias a la NAACP por organizar estas importantes conversaciones.

La Sra. Crystal Hernández, directora de Oakside, y la Dra. Mary Keenan-Foster, ex asistente del superintendente de PCSD, se presentaron recientemente en una Conferencia de Tecnología Educativa. Se eligió su presentación porque destaca el trabajo ejemplar de Oakside para mejorar el vocabulario usando el programa Infercabulary. Gracias al Dr. Foster ya la Sra. Hernandez por representar los maravillosos logros que estamos logrando aquí en las Escuelas Peekskill.

El PKMS Drama Club interpretó "Schoolhouse Rock LIVE!" El Dr. Mauricio y su familia, así como los estudiantes y adultos de PCSD disfrutaron de la experiencia musical. [Haga clic aquí para ver un álbum con fotos del espectáculo.](#) ¡Bravo a nuestros estudiantes actores, equipo y a nuestros asesores del Club de Drama de PKMS!

Gracias a todo nuestro personal de Peekskill CSD y a los miembros de nuestra comunidad de Peekskill que aceptaron ser entrevistados por nuestros estudiantes reporteros de Woodside en honor al Mes de la Historia Negra. Los académicos de Woodside entrevistaron a líderes afroamericanos de Peekskill. ¡Nuestro programa de noticias llegó a [News 12 Westchester](#) y al programa matutino de NBC New York! ¡Bien hecho, gatos monteses! ¡Un video de las entrevistas de nuestros estudiantes estará disponible en breve!

Además, la maestra de nuestra Escuela Primaria Woodside, la Sra. Theresa Wood-Chang, dirigió un equipo para crear un Museo del Mes de la Historia Negra de Peekskill en la biblioteca de su escuela, lo que creó la oportunidad de aprender sobre la rica historia y las contribuciones de los líderes, científicos y dueños de negocios afroamericanos, pioneros, músicos, artistas, astronautas y más. Muchos han disfrutado de visitar el museo, los administradores de PCSD, los miembros de la Junta de Peekskill y los administradores de BOCES. ¡Es un placer poder compartir [este museo inspirador e interactivo](#) con otros!

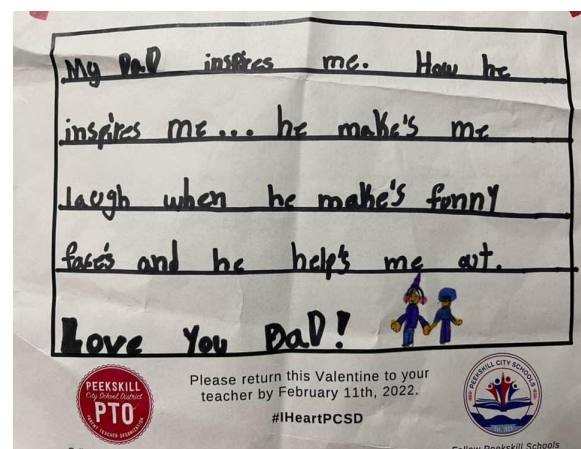

¡Nuestro equipo de robótica de Peekskill High School está en racha! Nuestros estudiantes no solo se dirigen a los Campeonatos Estatales este fin de semana, el equipo también recibió una generosa donación de \$1,000 del Comité AIM de la Cámara de Comercio de Hudson Valley Gateway para ayudar con los gastos relacionados con la próxima competencia. El vicepresidente de la junta, MacDonald, el concejal Talbot, el presidente de Peekskill Education Fund, Sheldon-Brungard, estuvieron presentes para aceptar este obsequio. [¡Haz clic en este artículo para leer más!](#) Nuestros estudiantes exhibieron su robot en la reunión de la Junta de Educación de esta semana y agradecieron a la Junta y a la comunidad por brindarles un nuevo e increíble Centro de Innovación STEAM en la escuela secundaria (en la foto a continuación).

En honor al Mes de la Historia Afroamericana, la Escuela Primaria Uriah Hill dio la bienvenida al camarógrafo de PCSD, el Sr. Doug Brown, como lector invitado como parte de las celebraciones del Mes de la Historia Afroamericana. El Sr. Brown leyó extractos de su libro infantil autoeditado, *The Polar Bear, Chicken Soup and Friends*, a los estudiantes. La clase del Sr. Joshua McClellan incluso creó un dibujo del Sr. Brown para incluirlo en el museo itinerante del Mes de la Historia Negra de la escuela.

Una vez más, las Escuelas Peekskill y el PTO de Peekskill se asociaron para nuestra sexta campaña anual del Día de San Valentín. Este año le pedimos a nuestra comunidad palabras de inspiración. Se llevaron buzones para San Valentín a todas las escuelas y también se enviaron electrónicamente mediante publicación en línea. ¡Gracias a todos los que ayudaron a difundir el amor en nuestra comunidad escolar!

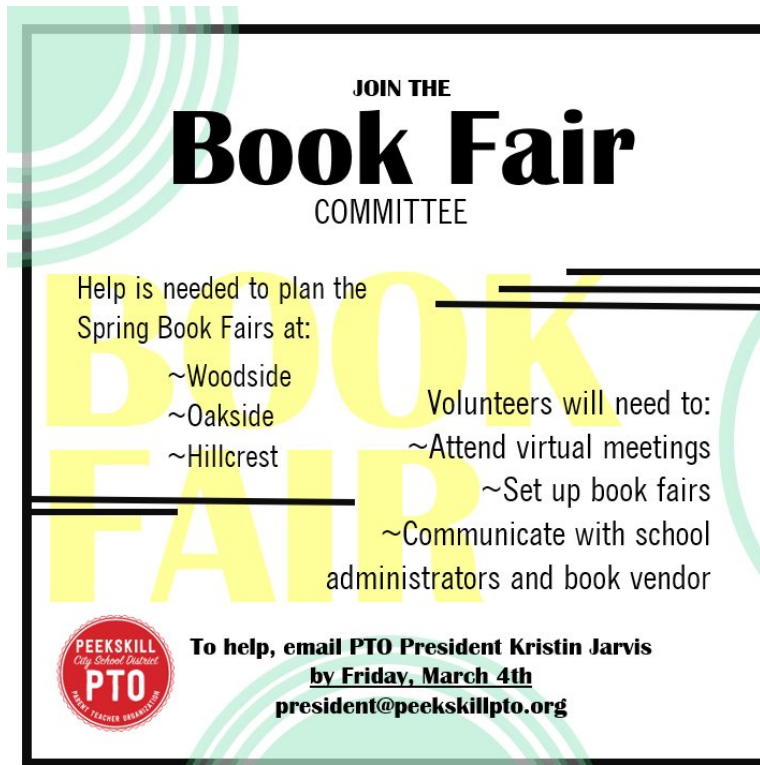

PCSD organizó recientemente nuestra exhibición anual de arte en todo el distrito en Peekskill Coffee House. El programa contó con el trabajo de los estudiantes de los grados K-12. Gracias a nuestros increíbles maestros de arte por su trabajo organizando el espectáculo y a nuestros estudiantes artistas por compartir sus talentos con la comunidad.

Nuestros conciertos del mes de Música en Nuestras Escuelas comenzaron con una actuación de nuestros estudiantes de Hillcrest que se presentaron maravillosamente en el escenario de PKMS. Bravo a nuestros talentosos músicos así como a sus dedicados maestros. ¡Esperamos más conciertos en persona durante todo el mes!

El PTO de Peekskill está buscando voluntarios para ayudar con sus próximas ferias de libros esta primavera. Comuníquese con el presidente de la PTO en president@peekskillpto.org si puede ayudar.

The poster is titled "JOIN THE Book Fair COMMITTEE". It lists locations where help is needed: Woodside, Oakside, and Hillcrest. It also lists tasks for volunteers: attending virtual meetings, setting up book fairs, and communicating with school administrators and book vendors. At the bottom, it provides contact information for PTO President Kristin Jarvis, including an email address and a deadline of Friday, March 4th. A red circular logo for Peekskill City School District PTO is also present.

Saturday Academy regresa a PKMS el 12 de marzo a las 10AM. Como parte de nuestra iniciativa de Educación Culturalmente Receptiva, celebraremos el Mes de la Herencia Irlandesa-Americana y el Mes de la Historia de la Mujer. También habrá un programa de juegos al estilo de la televisión, música, socios comunitarios, almuerzos para llevar y obsequios de libros. Después de la Academia del Sábado, nos dirigiremos al Desfile del Día de San Patricio de la Ciudad de Peekskill. La fila es por Asunción a las 2:30PM, y el desfile comienza a las 3PM. ¡El personal, los estudiantes y las familias están invitados a marchar con nuestro distrito!
